ISBN Number 13:978-0-310-24697-8 published by Zondervan

This document was prepared by Stephen E. Dill in February 2019 (Phoenix, Arizona) for help using Hebrew and Greek Word Books that use the GK numbering system as the primary reference to finding Hebrew and Greek Words.

Since the time James Strong's Concordance was first published, numerous manuscripts have come to light which necessitated a new numbering system to continue in the tradition of James Strong's monumental work.

The Introduction to the Strong's Strongest Concordance of the Bible contains this break down and is a must read for all Christian's who accept God's word as His eternal inerrant word for all things pertaining to Life, Correction, Godliness, Direction and "Salvation" which is found alone in God's risen Son, Jesus Christ our Lord; it is he who died for our SINS, was buried and is now seated at God's right hand!

...For if while we were "enemies" we were reconciled to God through the death of his Son, how much more, since we have been reconciled, will we be saved by his life? (Romans 5:10)

May God by His goodness work repentance in our hearts that we may be saved, know Him, do His will on earth and praise Him for time and all eternity! SED
